CLASS SPECIFICATION**

CUSTOMER SERVICE TECHNICIAN

FLSA STATUS:

Non-Exempt

CLASS SUMMARY:

The Customer Service Technician is the first level in a four level Customer Service series. Incumbents are responsible for utilizing various systems to locate, retrieve, research and review information associated with customer accounts, including creating and making adjustments to service requests on property/parcels; updating billing accounts; updating systems; initiating inspections to establish ownership; correcting service records and repair orders received from field crews.

Distinguishing characteristics within the class, based upon assignment are, at entry, responsibility for assisting with and learning how to perform the essential duties of the classification under close supervision. Journey positions are responsible for independently performing the essential duties of the classification.

The Customer Service Technician is distinguished from the Customer Service Specialist, which is responsible performing a variety of public assistance, order processing, cashiering, and clerical accounting activities.
